

Religion

In religion we have been continuing our work in the Venture magazines. We are also continuing with our Bible study of the Sunday Gospel. The children are very insightful and spiritual.

It is unbelievable that it is Thanksgiving and the start of Advent right around the corner! I am very thankful for the opportunity to work with your children at St. Timothy's! I feel very blessed with such wonderful students and parents! Thank you!

Math

In math we have completed multiplication of decimals and have moved on to long division. In December we will be starting a math project involving the Sunday advertisements. If you receive the Sunday paper could you please send in the ads for us to use. We will need a bunch!

Please continue to work with your student at home to ensure they have their multiplication facts down pat. It really helps them achieve in math if they are fluent with their facts. It makes their work easier for them and quicker.

St. Timothy Catholic School

November 20, 2009

Science

We had a wonderful trip to the Halle Heart Center! We learned more about our hearts, the circulatory system, and how to stay healthy.

The kids learned about different facets of our hearts and the different sizes for different animals. We saw a model of the blue whales heart which was up to the ceiling! Very big!

Thank you to all the parents who drove and chaperoned! This trip wouldn't have been possible without you!

Social Studies

In social studies we finished our study of Christopher Columbus and his contributions to the founding and colonization of America. The kids did a fantastic job on their ships!

We are currently studying the original 13 colonies, Pilgrims, colonization and life during this time period.

Language Arts

In Language Arts we are continuing with our new Treasures series. We are enjoying the stories and the way grammar, writing and spelling are all tied in to the unit.

This week we shared our product advertisements and wrote a review about a favorite book, movie or T.V. show.

Please make sure your child is bringing home their vocabulary flash cards and spelling lists to study each week. Tests are every Friday.

Other Items

We are in need of the following items:

1. Sunday paper advertisements! We need a **bunch!** Please keep sending them every week.
2. 2 Christmas stockings by December 1st.
3. Christmas items to put in the stockings. Little fun items for the kids.
4. Prizes for the prize box.
5. Kleenex
6. Wipes
7. Someone to plan the Christmas party! E-mail me if you are interested.
